

Skyline Recognized as Corporate Volunteer of the Year 2019

On April 10th, 2019, Skyline was proud to host and serve dinner for the ninth year in a row at Shelldale Family Gateway's annual volunteer appreciation dinner. Their team was on hand to serve and thank almost 200 volunteers and staff members of Shelldale for their continued commitment to supporting the Guelph community.

The tables were turned during the event, with Shelldale recognizing Skyline as their 2019 recipient of their Corporate Volunteer of the Year Award. This award goes towards a corporation that has gone above and beyond the call of duty and works with the local non-profit to build and support the community.

The evening was a wonderful event that recognized the amazing work that Shelldale Family Gateway does within the Guelph community. A big thank you also goes out to our friends at Einstein's for the delicious meal and Decadently Yours for the sweet treats!
