

The safety of the children and families in our communities are our priority.

To help fight the spread of COVID-19, Shelldale Family Gateway has suspended ALL PROGRAMS at the Shelldale Centre until further notice.

This includes all EarlyON programs, Breakfast Club and ALL After School and Evening Programs put on by Shelldale Family Gateway.

Volunteer Income Tax Clinics at the Shelldale Centre have been cancelled, however, you can contact Margie Shaver m_r_shaver@hotmail.com to complete and file your taxes.

Our Centre may be closed but we are still here to support you.

Our **Youth and Community** staff are keeping in touch with their families. Youth and Community members can also visit our [Resources page](#) for links to activities for children and youth, accessing food and general COVID-19 information and resources to help you through this difficult time.

- For **EarlyOn** families, please visit the [EarlyON Program page](#) for further information, contacts and activities.

Stay well!
